

Attendance Policies

- Music Together in Susquehanna Valley (MT in SV) is committed to holding all classes as scheduled. When circumstances warrant cancellation, registered families will be notified by phone and/or e-mail. Canceled classes will be rescheduled at a time that is agreeable to all families in that class.
- Registered families who are unable to attend their class should notify MT in SV as soon as possible by phone or e-mail.
- Make-up classes are available on a first-come, first-serve basis and it is up to the family to contact MT in SV to make arrangements. Make-ups must be made within the same semester as the missed class.
- When older siblings are home due to a school holiday, they are welcome to attend class with a younger sibling. However, MT in SV is not able to offer activities geared toward the older children. Prior to class, older children should be informed of appropriate class behavior.
- Grandparents and other visiting relatives and friends are always welcome to attend classes. Families should notify MT in SV by phone or e-mail before bringing guests. Guests should be informed of appropriate class behavior and will be expected to participate in activities. (Those with physical limitations may be excused when necessary.)
- Please contact Kathy Eckhaus at (717) 712-5098 or musictogethersv@yahoo.com to discuss make-up classes or guests.
